January 27 to Uzbekistan U23 team. After winning the semifinal match with Qatar, the newfeed Facebook is suddenly seized by the U23 team. Besides the unique cheers of the fans, there are many members on the social network who have extremely humorous and humorous mistakes such as between goalkeeper Tien Dung and midfielder Quang Hai, even wrong. both shirt colors of U23 Vietnam with Qatar U23.

A mistake to humor when he posted a picture of goalkeeper Bui Tien Dung again to write caption for Quang Hai, the midfielder scored 2 goals for the Vietnamese team when he met U23 Qatar.

Do not know what character you are talking about, but if you are talking about U23 Vietnam midfielder Quang Hai, I am afraid you need to review your status.

Certainly how many girls are crazy because this guy Bui Tien Dung, but in fact he has a rock, he only catches the ball in the goal.

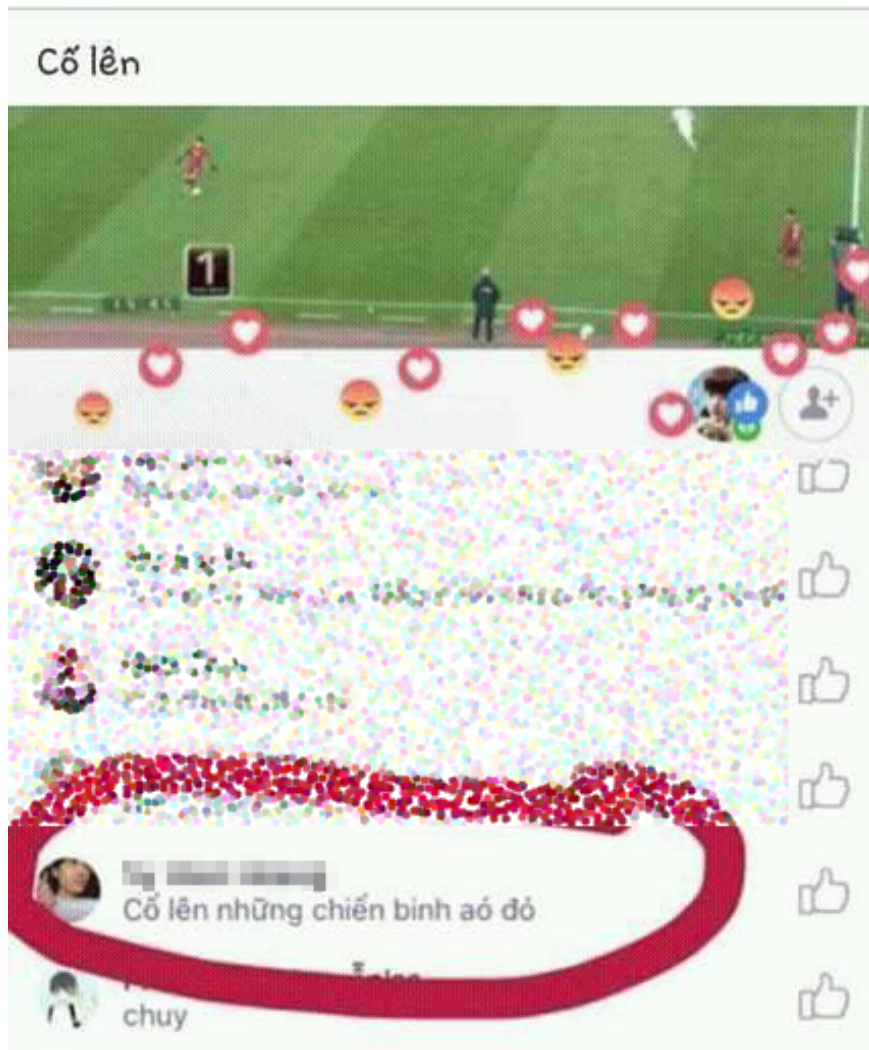

Everywhere I see the name Bui Tien Dung. But this image is actually Van Thanh who is the player who made the final penalty, bringing the final ticket to the coach and coach of Park Hang-seo.

This image probably won't be forgotten when Van Thanh successfully completed the final penalty. But there are many people who mistake this muscular image as Quang Hai midfielder.

Yes, the red shirt is the familiar color of the Vietnam team in many matches, but in the match against Qatar U23, Vietnam wears a white shirt, and your team wears a red shirt. So, those who "don't know anything about electricity" look carefully before commenting.

This is the U23 team that is kicking, don't know where to go and cheer like that?

It is interesting when Vietnam U23 has two players of the same name Bui Tien Dung, but these 2 people all take on a different position. Bui Tien Dung wears shirt No. 1 as goalkeeper, and Bui Tien Dung kicks in the position of midfielder in shirt number 4. This may be the cause of the confusion.
