

# When you get rich, can you shop for me these 14 'heavenly' items?

Millionaires also need essential items for life such as toothpaste, pencils, teapots, even toilet paper ... but not everyone can buy ordinary items like millionaires to use. Here are 14 extremely expensive essentials you can buy when really rich!

**Millionaires also need essential items for life such as toothpaste, pencils, teapots, even toilet paper . but not everyone can buy ordinary items like millionaires to use. Here are 14 extremely expensive essentials you can buy when really rich!**

1. Top 10 most expensive but useless items in the world
2. Listed the 16 most expensive materials in the world
3. Listed 10 luxurious and expensive items in the world

In the era of market economy today, manufacturers always try to work at full capacity to meet the needs of different classes of customers. They created many items and items to serve the needs and interests of customers, for example, for millionaires, they always provided items extremely " *luxurious* ".

The Bright Side page has collected a list of essential items you can buy for yourself when you become really rich. Invite you to consult!

## Mint toothpaste

**99.99 USD ~ Approximately 2.2 million VND**

© theodent.myshopify

**This toothpaste tube of peppermint flavor** looks unconventional, but THEODENT has produced a special toothpaste that contains Rennou ingredients ( *patented by Dr. Tetsuo Nakamoto* ). After first use, Rennou will help you strengthen your teeth and protect your teeth throughout the day.

## Toilet seat

**USD 299.95 ~ Approximately VND 6.6 million**

© carbonfibergear

This artificial carbon fiber toilet seat has the most attention. With natural, lightweight and durable material, the size is suitable for everyone produced limited by Carbon Fiber Gear. Would you like to have such a " *sister* " in

your toilet?

## Listen to **GOLDSTRIKER**

**USD 638 ~ About VND 14.5 million**

© goldstriker

It is said that the sound of the songs will become much better when listening to the **GOLDSTRIKER headset**, perhaps because you are wearing 24-carat diamonds so you should see. If you are cherishing the opportunity to own "you", you should consult its price first.

## Wool socks

**1,188 USD ~ Approximately 26 million VND**

© falke

FALKE wool socks are marketed with limited edition: only 10 pairs. They are the most expensive socks in the world because they are made from **vicuna wool** - a wool made from wool belonging to the world's most rare and expensive sheep.

## Cloud lights

**3,360 USD ~ Over 74 million VND**

© kaufman-mercantile

**The cloud lamp** is a design of Kaufman Mercantile, which not only lights up the room like ordinary lamps, but also produces a typical storm sound like thunder and rain. In addition, you can also choose the brightness and color of the cloud.

## Kitchen knives

5,425 USD ~ Over 120 million VND

© nesmuk-shop

**Nesmuk's kitchen knives** are extremely expensive and valuable. The blade is made of carbon steel, gripping the knife made of solid birch wood and it is the most expensive silver kitchen knife in the world. In addition, this kitchen knife is also equipped with a lacquer box, leather case, knife sharpener and a special knife polish oil.

## Pencil

13,400 USD ~ Approximately 295 million VND

© luxurylaunches

Faber-Castell in Germany has launched the world's most special pencil on the day of its founding. This " *simple* " pencil is made of cedar wood and its lid is white gold encrusted with 3 diamonds. There is a pencil like this, can you write it?

# Monopoly billionaire

14,161 USD ~ Approximately 312 million VND

© zontikgames

Extremely popular and extremely expensive, it is **the Monopoly billionaire flag** that ZONTIK decided to use leather to cover and engrave with gold, all the remaining pieces are made of silver. This is the game for those who love luxury to detail.

# iPhone 7

USD 25,850 ~ About VND 567.7 million

© stuarthughes

Stuart Hughes, a goldsmith in Liverpool, has created an extremely expensive model for his own smartphone. The body of this iPhone 7 is made of 24 carat gold. Certainly, when holding the phone in our hands, we will feel extremely nervous, the heart beating because of anxiety.

## Shave

**100,000 USD ~ Approximately 2.2 billion VND**

© zafirro

Razor, what's so expensive? **The razor Zafirro** was designed with a handle from a metal found in meteorite remnants. The blade is made of white sapphire and the shaft pins are made from platinum.

## Toilet paper

**1,558,335 USD ~ Approximately 35 billion VND**

© toiletpaper

When Toilet Paper Man has 24 carat gold, they decide to create toilet paper. Obviously, the price of this toilet roll is determined by the material that makes it. An Australian company is ready to sell a roll of toilet paper for more than \$ 1.5 million. But don't worry, you'll get a free bottle of champagne to celebrate this " *useful investment* " .

## Teapot

**USD 3,000,000 ~ Over VND 66 billion**

© chitracollection

Actually, nothing special, this is just a teapot in Chitra's collection, made from gold and decorated with 1,500 diamonds and 500 rubies. The price of heaven with these luxurious " *decorative motifs* " is still not the final price for the teapot that many people want to own. There is nothing like this in a morning tea, the life will suddenly be much better?

## Hand bag

**USD 3,800,000 ~ More than 84 billion VND**

© mouawad

Mouawad presents to those " *immersed* " in the world of handbags made from 18-carat gold, encrusted with 4,517 colorful diamonds. This is definitely a very useful bag for young women who always think that everything belongs to them so valuable.

## **Diamond ring**

**USD 70,000,000 ~ Over VND 1.5 billion**

© shawish

Do not attach diamonds like many other rings that are shaped from a diamond block. Shawish has taken a step forward when introducing jewelry as this very unique ring. Obviously, Switzerland is always a good player in accessories and jewelry. Surely this is the dream of any girl in the world because of its extremely irresistible and extremely expensive glitter.

Having fun!
