Espresso coffee machine helps make coffee fast and delicious.

Select automatic or semi-automatic Espresso coffee maker?

Automatic Espresso coffee machine will perform all stages of grinding and blending coffee, simple operation; while the semi-automatic Espresso coffee machine only performs mixing tasks, can customize the flavor for each cup of coffee, the operation will be somewhat more complicated. So please note:

1. You should choose Espresso coffee machine automatically when:
 - Don't know too much about concoctions.
 - Do not want to buy too much equipment to make coffee.
 - Budget is enough to pay for equipment (because the price of automatic Espresso coffee machine is usually quite high).
2. And you should choose a semi-automatic Espresso coffee maker when:
 - Knowledge of concoction.
 - Buy a machine to trade in restaurants, catering services .

The automatic espresso coffee machine can conveniently grind coffee.

Choose a professional Espresso mini coffee maker?

A professional espresso machine is a high-capacity type that can make up to hundreds of cups of coffee a day. Therefore, please choose this type if you buy a machine to serve drinks business in restaurants, hotels .

The mini Espresso coffee machine has a much smaller capacity than the professional type, and is the best choice for home and office use.

The family Espresso coffee machine has a compact design.

Which Espresso coffee maker is good?

A good Espresso coffee machine must not only have the specifications (capacity, capacity .) and features that suit your usage needs, but also need to come from a reputable brand. to make sure:

1. The machine is manufactured from high quality materials, safe for health.
2. The machine has the ability to brew Espresso deliciously.
3. It ensures durable operation and enjoys the best warranty policy.

You can consult some reputable Espresso coffee brands such as:

1. Espresso DeLonghi coffee maker: Coming from DeLonghi (Italy) brand, working strongly, making coffee quickly and flavorfully.
2. Espresso Melitta Coffee Machine: Coming from the Melitta brand (Germany), modern and sophisticated design, making delicious and quick coffee.
3. Espresso Gaggia coffee machine: Coming from the brand Gaggia (Italy), brewing coffee under extreme pressure to ensure complete flavor, balance.
4. Espresso Jura coffee machine: From Jura brand (Switzerland), has many modern features, luxurious design, making coffee very fast and delicious.
5. Espresso coffee maker Tiross: From Tiross brand (Poland), affordable price, suitable for all users.

Suitable professional Espresso coffee machine serves a large number of guests at cafes, restaurants, hotels .

How much is reasonable for Espresso coffee machine?

Espresso coffee machine depends on capacity, features, brand . but there are only about 1 million VND, with prices up to tens, even hundreds of millions of VND. Therefore, you should consider carefully the needs and your budget to choose the machine with the most suitable price offline!
