Under the turbulent sky of the Five Dynasties and Ten Kingdoms, you will transform into a young knight, freely roaming the vast open world of ancient China. A new generation martial arts action role-playing game with stunning graphics, a smooth combat system, rich content about politics, intrigue and epic battles. Will you write your own legend or get lost in the chaotic flow of history?

Instructions for downloading and installing Where Winds Meet

Once the launcher is downloaded, open the file to begin installation. If the file doesn't automatically appear, you can click the **Downloads** button in the upper right corner of your browser to find the downloaded file.

Recommendation from publisher:

1. It is recommended to install the game on **an SSD** for the smoothest experience.
2. Launcher installation path **can only be in English or system language** (for example, if your device is set to Japanese, use Japanese or English). Using other languages ??will cause errors.
3. If the machine does not meet the minimum configuration, the system will **not allow installation** .
4. The publisher is continuously optimizing the game, configuration may change in the future.

Where Winds Meet required configuration

Ingredient	Minimum	Recommended	High/Ultra	Minimum laptop (quite high)
Operating system	Windows 10/11 (64-bit)	Windows 10/11 (64-bit)	Windows 10/11 (64-bit)	Windows 10/11 (64-bit)
CPU	Intel i7-4770K or AMD Ryzen 5 2400G	Intel i7-10700 or AMD Ryzen 7 3700X	Intel i7-12700K or AMD Ryzen 9 5950X	AMD Ryzen 7 5800HS or equivalent
GPU	GTX 750 Ti / RX 550 / Intel ARC A380	RTX 2070 SUPER / RX 6700 XT / ARC A750	RTX 3080 / RX 6800 XT or better	MX450 or equivalent (note: laptop requires higher than PC)
RAM	8 GB	32 GB	32 GB	8 GB
Storage capacity	60 GB (SSD recommended)	100GB SSD	100GB SSD	60 GB (SSD recommended)

Special note about laptops: Laptop hardware requirements are **significantly higher** than PCs for stable performance. In fact, the minimum laptop requirements are almost equal to the recommended configuration of desktop PCs.

Game download capacity

1. **Standard plan: over 100 GB** backup
2. Quick Package: backup **over 60 GB**
3. Ultimate Pack: Not available at launch, will be announced later

Recommendation: Install on SSD for significantly faster map loading speed and loading time.

Frequently Asked FAQ Where Winds Meet

1. **I played the test before, can I use the old launcher again?** ? No, please uninstall the old launcher completely and download the new version to avoid errors.

2. **Click launcher not responding?** ? Try running the .exe file in the game folder directly. If it still doesn't work, reinstall the launcher.
3. **Error 'This version of the file is not compatible with the version of Windows you're running'** ? Your computer does not meet the minimum configuration or the operating system is not compatible. Please check the requirements table above.
