

Worship of the Genius helps attract fortune in the new year

The custom of worshipping Tai Tai and Tho Dia originated from where and how to worship feng shui to bring fortune?

Shen Tai is the god who looks after money in the old beliefs of Vietnamese people. Therefore, the worship of Fidget, Tho Dia is extremely important, especially for the families of business and merchants to ask for luck and fortune.

So where to worship the God of Fortune, Tho Dia originated from and how to worship how feng shui to bring fortune?

Meaning of Fidget - Earth

According to legend, Shen Tai is a businessman, whose name is Trieu Cong Minh. He refuses to go to the monastery in Chung Nam mountain, after gaining enlightenment, he is made to be the Most Precious Master of Nguyen Soai, specializing in the pursuit of elimination, saving and eliminating exorcism. In addition, those who were unjustly asked to help him were helped, the merchants offered him prayers to be blessed. Folk also called him Tai Bach Tinh Quan or Trieu Cong Nguyen.

According to ancient folklore, Shen Tai is the god of governance in the world, while Tho Dia is the guardian deity who governs the land so these two gods are worshiped on an altar.

Things to keep in mind when worshipping Tai Chi - Tho Dia to bring fortune into the house

1. When about to worship the worship of Than Tai - Tho Dia, it is also recommended to put the offerings in the house. Holiday items don't need to be fussy just need fresh fruits and clean water.
2. Burn incense and change water daily for 100 days after setting up the altar, do not turn off the electric light at the altar.
3. The altar should be wiped with grapefruit or mixed water on January 10, on the last day of the month and the 14th day of the lunar month. Towels used to clean altars and towels for Shen Tai cannot be used for other purposes.

1. Flowers: Do not use artificial flowers, should choose fresh flowers with buds, scented as possible. A flowerpot is a glass or ceramic vase.
2. Fruit: Do not use plastic fruit to worship. Choose fresh fruit, not withered, intact, can use apples, pears, bananas, oranges and tangerines.
3. Water: When changing the water, wash the bowl, not pouring too much, it is easy to overflow the altar, only pouring full water about 1cm from the mouth of the cup.
4. Lamps, candles: Do not use electric balls, flashing lights using candles or oil lamps only.
5. The time of incense burning and prayer does not stipulate a specific time but it is best to choose a good time for the ceremony to activate the gas field more easily.

1. Rice, salt, after being kept, should be kept, the wine should stand outside the door to irrigate the house with the meaning of bringing home.
2. Loc only for people in the cafeteria, should not be divided to outsiders.
3. Always pay attention not to let the cat and dog animals harass the altar of the God of Fortune and Aboriginal altar.
4. The place of the altar altar and the God of Fortune must always be clean.
5. Do not let flowers and fruits worship wilted, spoiled on the altar will affect the home business.
6. On the 23rd of the lunar calendar, withdraw the golden flavor. After yellowing, pour some alcohol into the ash.
