

## **Xiaomi launched Haylou LS01 smartwatch, 14-day battery, priced at VND 330,000**

Xiaomi has recently launched a new smartwatch model called Haylou LS01 with an extremely attractive price tag of only 99.9 yuan (about 330,000 dong).

Xiaomi recently launched a new smartwatch model called Haylou LS01, not only has many great features, but this smart watch also has an extremely attractive price of only 99.9 yuan (about 330,000 dong).

Haylou LS01 has a square design with a 1.3 inch color LCD screen, a resolution of 240 x 240 pixels. Its physical dimensions are 40.9 x 35.7 x 11.6mm and weight 34 grams. The total length of the silicon strap section is 26.3mm, and is easy to replace.

Haylou LS01 has all the features of a smartwatch including sleep tracking, real-time heart rate monitoring, activity tracking, step counting and 9 different sports modes.

Machine is equipped with 210mAh battery, can meet the needs of users to use up to 14 days. Of course, depending on the level of user use that battery life will vary.

Haylou LS01 is equipped with water and dust resistance according to IP68 standards. It works normally at temperatures as low as -20 degrees Celsius and as high as 45 degrees Celsius, can withstand water at a depth of 1.5m for 30 minutes.

Haylou LS01 supports Android 4.4 and iOS 8 and above. This new smartwatch from Xiaomi supports Bluetooth 4.2 connectivity.

This new product is currently on sale in China, with two color options, black and silver.

1. Xiaomi designed a new smartphone: 2 selfie cameras at the edge of the bezel
2. Samsung is about to launch the Galaxy Note 10 Lite, which is cheaper than the Galaxy Note 10
3. Xiaomi officially launched the Redmi 8A, 5000 mAh battery, USB Type-C, priced at 2,150,000 VND
