

Xiaomi launched the MIJIA Desk Lamp Lite desk lamp for only \$ 11

As the name implies, this is a shortened version of the previously released MIJIA Desk Lamp.

Xiaomi has just launched the new MIJIA Desk Lamp Lite desk lamp. As the name implies, this is a shortened version of the MIJIA Desk Lamp that was previously launched, but still equipped with many important features to help protect the eyes of the user.

国 A 级权威好光

中心照度高达 1200lx, 明亮、均匀、不刺眼

米家台灯Lite

This desk lamp is made from high quality ABS plastic. It has a hinge to adjust the direction of the light beam. This arm part can adjust many different angles, with a range of 218 degrees, and can be rotated 180 degrees.

MIJIA Desk Lamp Lite can provide brightness up to 1,200 lumens, but you can adjust the brightness level as you like. The light of MIJIA Desk Lamp Lite is rated A according to national standards, is the optimal light for studying and reading.

180° 水平翻转

轻轻旋转，想照哪里照哪里
自由，比传统更进一步

Xiaomi currently sells the MIJIA Desk Lamp Lite on e-commerce platforms, for only 79 yuan (about \$ 11).
