

# YBA code, the latest Your Bizarre Adventure code

Code in YBA will require gamers to be eligible to be able to enter the code. Specifically, the player's reputation point must be enough to receive gifts from the code.

Most of the current Roblox games are games like the MMORPG genre. Many games inspired by anime series such as Nok Piece, Grand Piece, Blox Fruit, Project One Piece, Ro Ghoul, Anime Run Beta.

There are also many games that do not follow any Anime theme at all, the characters and skills in the game are built according to their own themes. But most of them take the theme of anime movies.

**Your Bizarre Adventure** is such a game, with a unique design style with unique characters and skills. To get used to the game faster, you will definitely need the code for Your Bizarre Adventure, like many other games on Roblox. Here is a list of the latest YBA codes and how to enter them.

Most of the old YBA codes above are expired and if you have the above code, you can ignore it. Most codes will require a Prestige Score of +1 or +3 or higher to enter the code.

## How to enter code YBA

To enter the YBA code, please select the Menu icon in the lower right corner. Sometimes this icon is hidden, please move your mouse to the position of the mouse pointer of the ad as shown below.

In the game menu, select the **Settings** gear icon and write the code in the **Enter A Code To Redeem Here** box > then click **Redeem code** .

If the code requires prestige points (Prestige), you have to level up to reach level 35 to get 1 prestige point. Then look for Prestige Master Will, who stands at the entrance of the Steel Ball Run teleporters.

Compared to many other games, the code in YBA will require gamers to be eligible to enter the code. In return, the rewards from Your Bizarre Adventure code will be quite a lot.
