

YMEETME, a serious dating app for Vietnamese people, marks 1 million users

Unlike normal dating apps, YmeetMe is a designed and adjusted dating app exclusively for Vietnamese.

Unlike normal dating apps, YmeetMe is a designed and adjusted dating app exclusively for Vietnamese. Thanks to being equipped with artificial intelligence technology and machine learning, YmeetMe can rely on the profile information, interaction and activities of its members to make recommendations for the most suitable potential audience for them. In addition, YmeetMe also has an automatic filter that censors inappropriate images, languages and behaviors of users.

YmeetMe was developed by Game Changer Co. Ltd. and officially launched from November 2016. Over 2 years of development, YmeetMe has built trust in the user community for a serious, effective dating environment and proven its leading position in the field of online dating.

Currently, YmeetMe has officially reached the milestone of 1 million users, of which the number of users aged 18-24 accounts for 37%, the number of users aged 25 - 34 accounts for 51%. YmeetMe currently ranks Top 5 Lifestyle apps on iOS and Top 1 dating apps on Android app market.

By the end of the third quarter of 2018, the number of people who found half success through the YmeetMe application is more than 9,000 couples, of which many couples have moved to marriage.

In the near future, YmeetMe will support more Vietnamese users abroad. YmeetMe's goal is to increase the number of users to 1.5 million by the end of 2018.
