

Young man has a close relationship with many famous people thanks to ... Photoshop resources

This is probably the luckiest guy in the world when it comes to photos with famous people in all fields.

Appearing in photographs with celebrities is the wish of many young people. However, not everyone has the opportunity to meet, ask for a "life" picture with them and show off to social networks with friends. However, in contrast to everyone, the Syahril Ramadan, 19-year-old Indonesian recently released a series of photos of a series of celebrities including Justin Bieber, Cris Ronaldo, Selena Gomez, Taylor Swift, the famous Filipino couple Marian Rivera - DingDong, . took a photo of this commemorative, which caused many people to ask, "Who the hell is this? Why does he know so many celebrities? so?". But in fact, these photos are just the superior Photoshop skills of Syahril Ramadan.

Knowing many famous people or not, no one knows, but this guy has 183,000 followers on Instagram. Let's take a look at the photos through this kid's virtual Photoshop hand.

Comfortable sleeping in a chair in Ryan Reynolds's house, this guy really doesn't fit!

However, there is a limit to what it is . This picture is obviously dressed in ton, but it is still spoiled .

If not for this lost seated figure, indeed, just by looking at it, Bruno Mars is introducing to the Indian grandchildren 8 years from the great cannon.

.and Bruno Mars's nephew is also stealing something from Justin Bieber's plate.

For the first time to propose in front of Marian Rivera in the presence of DingDong, there were many clumsy shortcomings for everyone to sympathize.

To prove this point, in this picture, just a little dressed up, Syahril looked exactly like an Asian player who was fighting for the Golden Ball title with Cristiano Ronaldo.

Each one looks, who is more handsome?

Let me apply lotion for you! Convenient PR always nourishes this cream.

The photo editing level of this guy has gone to the gods to the extent that if there is no other broom, everyone will think this is a happy family photo of 4 people.

Many people mistakenly think this is a real picture.

Standing next to Barack Obama to direct him to paint, he's not the last one
