

YouTube Recap vs Spotify Wrapped 2025: Lady Gaga and Joe Rogan Dominate Both Lists

Similar to Spotify Wrapped, with YouTube Recap, as users continue to update their top artists and their listening ages on Stories, they also released a global chart of the most streamed artists in multiple countries.

With just a few days left until the end of 2025, music apps have made a subtle change by introducing a statistical feature to look back at the past 1 year. Keeping up with the trend of sharing summaries on social networks, YouTube launched the Recap tab in December. Providing users with 12 categories, which can be personalized and more.

Similar to Spotify Wrapped, with YouTube Recap, as users continue to update their top artists and their listening ages on Stories, they have also released a global chart of the most streamed artists in various countries. Here are the details.
